Dear Colonel Sudholz,

On behalf of all the soldiers and civilians of the 77th Regional Support Command, I would like to thank you for bringing to fruition the monument dedicated to our soldiers who lost their lives in the World Trade Center disaster.

It was solely due to your efforts and that of the 77th Infantry Division Reserve Officers' Association committee members that this project became a reality. By your efforts in keeping the history of the 77th up-to-date and viable, our young soldiers learn of the sacrifices of those who have gone before us and the realities of this current war on terror.

Thank you for your many contributions to the "Liberty Patch" Command. God Bless you and God Bless America.

Sincerely,

Richard S. Colt
